Keynote Address
Mark Braverman

Author of *Fatal Embrace: Christians, Jews and the Search for Peace in the Holy Land*

The Path to Peace in Israel/Palestine: A Jewish American's Journey

Mark Braverman's roots are in the Holy Land – his grandfather, a fifth generation Palestinian Jew, was born in Jerusalem, emigrating the U.S. as a young man. Growing up in the United States, Braverman was reared in the Jewish tradition, studying Bible, Hebrew literature, and Jewish history. Trained in clinical psychology and crisis management, Braverman devoted his professional career to working with groups and individuals undergoing traumatic stress. Returning to the Holy Land in 2006, he was transformed by witnessing the occupation of Palestine and by encounters with peace activists and civil society leaders from the Muslim, Christian and Jewish communities.

Since then, Braverman has devoted himself full-time to the Israel/Palestine conflict. He is a co-founder and Executive Director of [Friends of Tent of Nations North America](#), a nonprofit dedicated to supporting Palestinian land rights and peaceful coexistence in historic Palestine. He also works with [Israeli Committee Against House Demolitions-USA](#), [Friends of Sabeel North America](#), Washington Interfaith Alliance for Middle East Peace, and [American Jews for a Just Peace](#).

Skip Schiel
The Matrix of Control

“Skip Schiel has been documenting the Palestinian and Israeli reality through photographs and journal postings since 2003, work with a better feel for the detailed texture of life in Gaza and the West Bank than any appearing in US media. Schiel spends time where most journalists dare not tread, amidst ordinary Palestinians, sharing in the dangers and frustrations of their lives.” –Annette Herskovits, Consulting Editor, *Turning Wheel, the Journal of the Buddhist Peace Fellowship*.
